Treasured Thoughts Box

Everyone has their own way of dealing with losing a loved one. Some may find it helpful to talk to friends and family about how they feel, however, others may find it easier to write down their feelings, to help with the grieving process.

The box can also be given to children to decorate or write messages on. Depending on the child's age, they may find it difficult to understand what has happened to their loved one, so drawing on the box may be a good opportunity for them to express their feelings if they are struggling to put them into words.
